

Prénom NOM

Maître de Conférences / PhD Candidate

Email: prenom.nom@univ.fr

Website: www.website.com

Research Interests

Finite Element Methods, Numerical Analysis, PDEs, Scientific Computing.

Education

2022 – 2025 PhD in Applied Mathematics

Université XXX

Thesis: Title of your thesis. *Supervisor:* Prof. X.

2020 – 2022 Master in Mathematics

Université XXX

Mention Très Bien.

Academic Positions

2024 – 2025 ATER

Université XXX

Teaching load: 192h eq. TD.

2021 – 2024 Teaching Assistant

Université XXX

Linear Algebra, Analysis, Numerical Methods.

Publications

2025 Author1, Author2, Your Name

Journal Name

Title of the paper.

Submitted Your Name

Another Paper.

Talks

2024 Conference Name

City

Title of your talk.

2023 Seminar

University Y

Invited seminar talk.

Teaching

2024 Numerical Analysis (L3)

Université XXX

Technical Skills

Programming: Python, C++, MATLAB

Tools: LaTeX, Git

Languages: French (native), English (fluent)
